Spring Renewal

Spring is the time when the earth brings forth amazing renewal. Green grass and colorful spring flowers bloom. The sky loses some of the winter grey haze to blaze in blue. Poetic language comes easily until you look past your daffodils to your old car or a dingy floor in your kitchen.

If it is time for a clean sweep then Kim K. and Jill are waiting to talk to you. Collect the clutter that is your “to do” list and bring it to our home equity specialists to consolidate bills or start on your dream project. *We are offering a reduction in our regular rate, our home equity application fee is waived and Lowe’s gift card.

(*Upon completion and funding of loan)

Spring also starts the great season of “BASEBALL!” Don’t miss out on our Grand Slam Auto Loan promotion. We will beat your current car loan by at least 0.25% (down to as low as 1.99%) and waive all fees. *You will also get your name included in a drawing to win 4 tickets to see The Reading Fightin Phils! (Drawing will be held in June 2016) (*Upon completion and funding of loan)

Give a call and we will work on the application while you make your final plans. This offer is limited and will end in May 31, 2016.

Think ahead if college expenses are in your near future.

Enjoy your Spring. *Matt*
