Fall 2016

From Our CEO:

A credit union is formed by dedicated members, committed directors and employees who live and breathe member service. It has been my privilege to work with great people in each of these categories for the past 15 years. I will be leaving Superior Credit Union work life at the end of the year and want to thank you for the honor of working as the sixth CEO of your credit union. I look forward to seeing you at the Annual Meeting.

With Sincere Appreciation, Matt Jones
